## A NEW GENERATION OF POWER CATAMARAN DEBUTING IN 2020

---

**An outdoor oasis combined with a refined interior.** Succeeding the most popular powercat of all time, the Leopard 51 Powercat, this new yacht possesses all the attributes that made her predecessor successful, while reinventing what a powercat should be. Elegance and agility combine to create a flow of perfect harmony.

Discover cruising pleasure, amplified.

**Raising the bar.** The Leopard 53 Powercat writes the standard for space and efficiency both inside and out, with a seamless flow from the interior to the exterior. This trait is the very essence of the Leopard line.

---

---

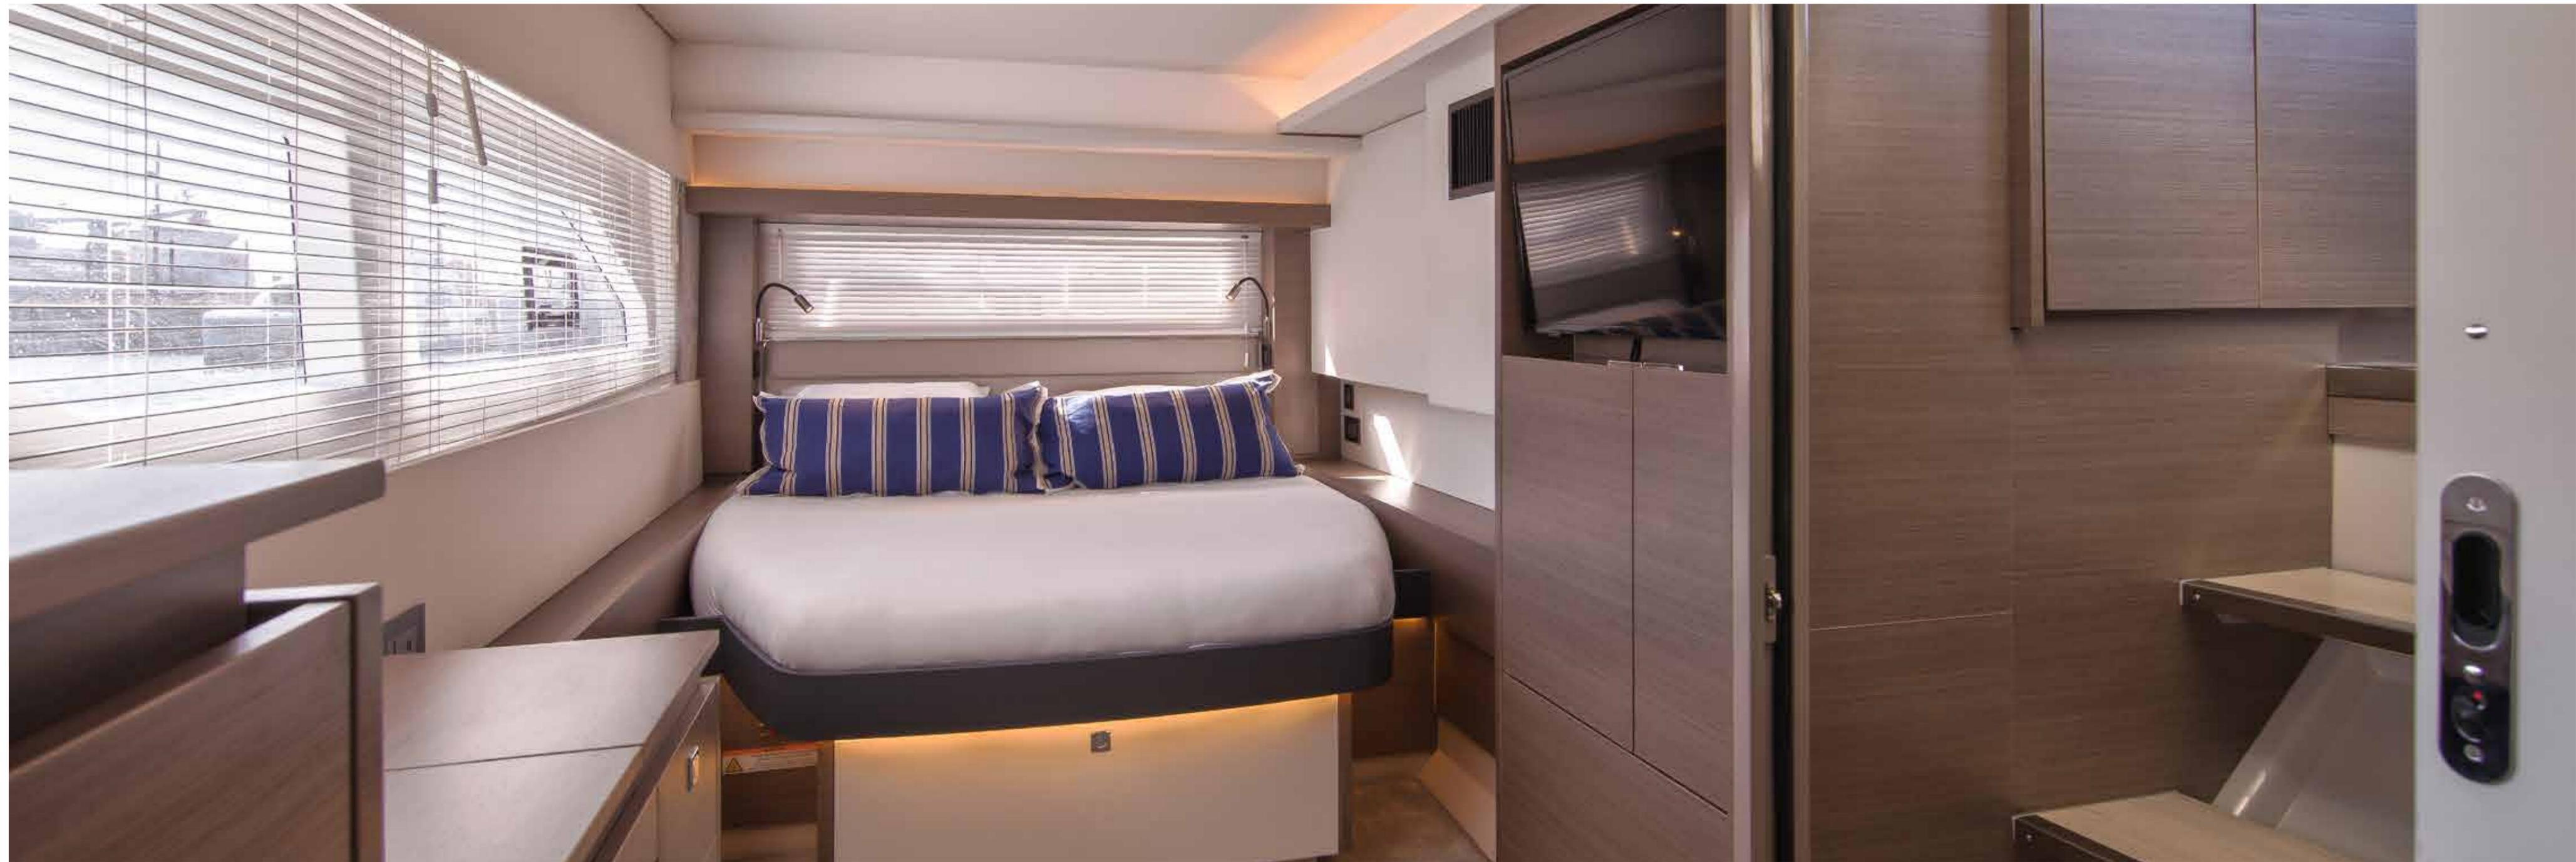

Crafted with the intention of luxury on the water, you will find serenity without compromising performance. With the stability you'd expect from a catamaran combined with the comfort of a motor yacht, we present an oasis at sea.

# CRAFTSMANSHIP

Innovative design with enhanced finishes

The evolution of the Leopard Powercat range presents innovative design elements. Possessing elegance and fine finishes that appeal to modern tastes, without compromising on space, maneuverability or fuel efficiency.

# INTERIOR

## Enticing Atmosphere

With cool tones and contemporary finishes, discover serenity when you step inside his newly designed layout. The perfect blend of calm sophistication, with the sea right before your eyes. Offered in a three or four cabin layout, with the option for separate crew cabins. You can personalize the yacht's interior to your individual style.

The 3-cabin owner suite layout optimizes livability and freedom providing a fluid passage as you move throughout. The polished wardrobe and furnishings favor home interior design. Due to the thoughtful use of space, guests will enjoy the same level of attention to detail, with maximum comfort that promotes relaxation during their time down below. The heads on this powercat features separate shower stalls and Corian wash basins with mixer taps.

# COMFORT

## A reinvented saloon and galley

On the main level, large, retractable sliding glass doors widen your horizon creating direct access to the new, meticulously designed galley. Leave the doors open to fuse indoor/outdoor entertainment.

The saloon offers an L-shaped lounge to port and a 2-person settee to starboard. Cruising pleasure is amplified with the option to add an interior navigation station. Look out at the open water with panoramic windows. The flow is seamless with access to foredeck through the forward saloon door. Create your choice of atmosphere by electronically lowering or raising your TV.

The galley is outfitted with premium refrigerator/freezers, Staron® worktop surfaces, 4-burner stove, microwave oven, sink and faucet, and ample amounts of storage.

Using fine materials and uniform elements to tie it together, we have created the perfect fusion of saloon and galley interior living space.

---

## An Outdoor Oasis

Outside, she optimizes all available exterior space with plenty of social zones.

**The heart of the boat is the flybridge.** Accessed by staircase, the flybridge is covered by a fixed, solid hardtop. The flybridge provides a well-thought-out helm station with great visibility. Spacious seating and a large table allow for a great place to entertain family and friends and enjoy a meal with spectacular views.

The optional wet bar, grill, refrigeration, and storage, as well as an aft-facing sun pad with cushions enhance the space. The flybridge is the ideal spot to create magical moments on the water.

Downstairs, the large aft cockpit features a table and walk-around cockpit seating with multiple seating configurations.
